- a) This Private Native Forestry Plan (PNF Plan) applies to the land identified as “PNF area” as shown on the map described in Schedule One of this plan, within the land parcels described as (Lot/Section/Deposited Plan) 69//DP750895, 70//DP750895 (“the Land”).
- b) This PNF Plan only authorises forestry operations on the Land while the Land is under the ownership of the following landholder/s (“the Landholder/s”):

Marjorie Gray Webb

- c) All forestry operations must be carried out in accordance with Private Native Forestry Code of Practice for River Red Gum Forests (*River Red Gum Forests PNF code of practice*), as current from time to time.
- d) This PNF Plan will commence from the date on which it is approved by Local Land Services, under Part 5B of the *Local Land Services Act 2013*.
- e) This PNF Plan will have effect for fifteen years from the date on which it was approved by Local Land Services.
- f) This PNF Plan is subject to the conditions in Schedule Two.

Note:

Prior to carrying out forestry operations under this PNF Plan, advice should be sought from Local Land Services to identify the applicable PNF Code.

SCHEDULE ONE - MAP

The attached map forms part of this PNF Plan. The land subject to this PNF Plan is indicated on the attached map as “PNF area”. The map includes those landscape features and drainage features for which digital information is held by Local Land Services at the time of this Plan being made.

SCHEDULE TWO - STANDARD CONDITIONS

Words and phrases used

1. In this Schedule:

“Landholder” means a person/s who is a party to this PNF Plan, being the person/s listed in paragraph (b), above.

“PNF area” means the land to which this PNF Plan applies as shown on the map described in Schedule One.

Forestry operations

2. This PNF Plan authorises the following forestry operations (as defined in the *Local Land Services Act 2013*) to be carried out on the PNF area;
 - a. logging operations – namely the cutting and removal of timber from land for the purpose of timber production, or
 - b. the harvesting of forest products – namely the harvesting of the products of trees and other vegetation (other than timber) that are of economic value, or
 - c. ongoing forest management operations – namely activities relating to the management of land for timber production such as thinning, burning and other silvicultural activities, or
 - d. ancillary activities to enable or assist in the above operations such as the provision of roads, snig tracks, waterway crossings and temporary timber storage facilities.
3. For the avoidance of doubt, this PNF Plan does not authorise any other forestry operations to be carried out.

Notes

1. Forestry operations authorised by this PNF Plan do not require any further approval under the *Biodiversity Conservation Act 2016* or the *Local Land Services Act 2013*.
2. However, in order to carry out the activities authorised by this PNF Plan, the Landholder may be required to obtain other approvals from other government agencies.
3. Personal information contained in this PNF plan will be treated in accordance with the *Privacy and Personal Information Protection Act 1998*, under which you have rights of access and correction.
4. Certain information contained in this PNF plan:
 - (a) may be fully disclosed to your nominated primary contact person or company.
 - (b) may be used for compliance and statistical purposes.
 - (c) may be disclosed to your local council for compliance and statistical purposes
 - (d) may be fully disclosed to the Environment Protection Authority for compliance purposes.
 - (e) may be disclosed in circumstances where disclosure is otherwise required or authorised by law, including the *Government Information (Public Access) Act 2009*.
5. Authorised officers of the Environment Protection Authority may monitor compliance with this Plan. All activities authorised by this Plan must be carried out in accordance with this Plan and in accordance with the relevant Private Native Forestry Code of Practice.
6. Local Land Services may terminate this plan where the approval was obtained as a result of false or misleading information.
7. Local Land Services may terminate this plan where a requirement imposed by this plan or an applicable private native forestry code of practice have been contravened by the landholder or persons conducting operations on behalf of the landholder.
