 refer to original drawing for full information supplied

- All dimensions to be verified prior to commencement of work.
- Boundary dimensions and all levels subject to survey.
- Use figured dimensions only. Do not scale.
- All work to be carried out in accordance with the Building Code of Australia, relevant Australian Standards and regulatory authorities requirements.
- The documents which constitute or evidence the building work shall be taken as mutual explanatory and anything contained in one but not in another shall be equally binding as if contained in all.
