**Subject:** Development near Moree Airport - Lots 9 & 10 DP 1212873

Good afternoon David,

Mark Connelly from Moree Plains Shire Council (MPSC) has passed on your contact details.

Regional Growth NSW Development Corporation (RGDC) are currently working with an applicant to facilitate development of a Rural Supplies Premises at 7 Harry Sullivan Avenue, Moree & 12 Perry James Crescent, Moree (Lots 9 & 10 DP 1212873). Please see attached architectural plans for reference.

Based on the information provided by MPSC, the proposal does not appear to penetrate the OLS. The proposal does include sale and storage of agricultural chemicals, however, the types and quantities do not trigger the Major Hazards Facility threshold.

Please advise if CASA has any concerns in regard to the proposed development, or if any further information is required. Happy to set up a meeting to discuss further if required.

Kind regards,

**Emily O'Halloran**
