Address of development

1 Serrata Court, TUNCURRY NSW 2428

Description of proposal

Build and construct Colourbond gable carport attached to existing dwelling, as to plan

What is currently on site?

Residential home

Are you seeking a variation to the Development Control Plan (DCP)?

☒ Yes

☐ No

If yes, please give details and justify why the variation should be supported

The proposed application is for a single story gable/open walled, double carport space attached to the front of existing dwelling. Property boundary to side of block inhibits the location of this proposal to any other location on the current block setting.

The proposed carport does not extend past the front of existing dwelling, as to plan.

The proposed application meets all standards and requirements for fire zoning regulations for carport construction.

The proposed carport is to be constructed from matching Colourbond materials to blend seamlessly with both the existing property and neighbouring houses. The location does not obstruct main traffic flow or access to/from the property from the street front. The proposed addition does not impede visually on any location view or aesthetics from adjoining properties.

Is the proposed development visually compatible with development on adjoining land or land in the locality?
