PLAN OF PROPOSED SUBDIVISION LOT 5 DP 1078852

SHEET 1 OF 2 SHEETS

NOTES

1. This plan has been prepared to accompany an application for development consent and should not be used for any other purpose.
2. The dimensions and areas of lots are subject to survey and to Council requirements.
3. Easement locations are proposed and subject to variation.
4. Every lot maybe subject to restrictions on the use of land as required by future DA consent conditions, utility providers, Council and the developer.
5. Care should be placed on use of this plan for any financial dealing involving the land.
6. These notes form an integral part of the plan.
