**Re: Existing advertising sign attached to the TfNSW pedestrian bridge at  
Warringah Road Forestville**

29 May 2025

Dear Sir,

**Development application for existing advertising sign attached to the Pedestrian bridge at  
Warringah Road Forestville**

I am writing to advise that Transport for New South Wales (TfNSW) will be submitting a Development Application to the Department of Planning Housing and Infrastructure for the continued use of the existing advertising sign attached to the TfNSW pedestrian bridge at Warringah Road Forestville.

Under clause 23(3a) of the Environmental Planning and Assessment Regulation 2021, consent in writing from the owner of the land for a development application made by a public authority is not required if written notice to the subject owner(s) is given prior to lodging the application. This letter constitutes that notice.

This location is supported by TfNSW as it is strategically important for the delivery of road safety messages in key periods.

Sincerely,

Greg Attewell  
Senior Manager Advertising & Revenue  
Transport for NSW
