Dear Wingecarribbe Council,

RE: 30 (Lot 40) Douglas Road Moss Vale

Natural Gas Is available to the proposed Development at 30 Douglas Road Moss Vale.

Our mains are installed in the allocated space within the footpath adjacent to the proposed development. Jemena has completed a preliminary assessment of the gas requirements for the proposed development and can provide a gas connection to the site.

The Natural gas network is dynamic and no capacity is guaranteed until an application is received from an Energy Retailer typically after council DA approval has been received.

I confirm that our requirements have been satisfied with regard to this development inquiry.

Thank you for your inquiry. If further information or assistance is required, please do not hesitate to contact me on 02 9867 7182.

Yours faithfully,

Zachary Kennett
