Terms

Delivery -
Site conditions are to be organised by the customer. SCS takes no responsibility for uneven ground or access to site.

Delivery will only occur weather permitting.

Our drivers endeavour to place the container where desired, however, at times, can only drop where is safe and accessible.

Warranty –

1.All parts and labour are covered under warranty for 12 months from date of delivery.

2.Shipping Container Services passes on factory warranty for all electrical items, including the air-conditioning unit.

What is NOT covered –

3.Warranty does not cover any damage caused by the owner modifying, attempting to fix, or otherwise altering the product.

Order -

A 50% deposit is required to confirm your order, with the balance payable prior to delivery.
