

**MULTITASK CIVIL CONSTRUCTION
SOLUTIONS PTY. LTD.**

11th of August 2025

TO WHOM IT MAT CONCERN

We attended the site at no 16 Wenke Crescent Yagoona

We went over the site and tested what stormwater we could find and found that there was no connection to the Sydney water channel at the rear of the property.

To connect to this asset you will need to make an application to Sydney Water.

Regards,

Joe Belcastro

Director

Multitask Civil Construction Solutions.
