Background

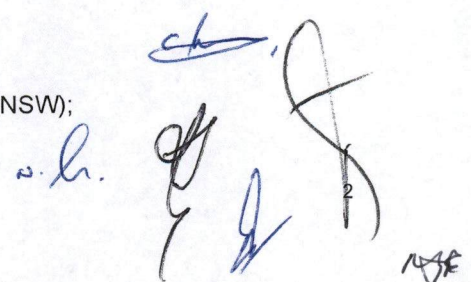

- A. On 11 May 2017, a Planning Proposal was lodged with Council on behalf of the Landowner.
- B. On 11 December 2017, Council resolved as follows in relation to the Planning Proposal:
- a. That Council reaffirm its position from pre administration and that Marion Street precinct (east of High Street) should have a maximum incentive FSR of 6:1 FSR with no height control in line with draft City Centre Planning Proposal as adopted by the Parramatta City Council in April 2016. This is exclusive of incentives for design excellence and incentives for high performing buildings.
 - b. That the Department of Planning be advised that this is Council's current position for the CBD PP in terms of informing their Gateway Assessment.
 - c. That Council use the two independent heritage assessments provided by the applicant and not spend the \$20,000 to complete similar work.
 - d. That given the compromised heritage and inaccuracies in the mapping, that no heritage conservation zone be considered in the Marion Street precinct.
 - e. Further, that Council officers finalise the assessment of the site-specific planning proposal and send to the State Government for Gateway Assessment in line with the above, that is:
 - i. maximum 6:1 FSR, excluding incentives for Design Excellence and high performing buildings
 - ii. no heritage conservation zone
 - iii. heritage items within and adjacent to the proposed development site (i.e. 37 Marion Street within the site and 29 and 31 Marion Street outside the site) are delisted in accordance with the two heritage reports provided by the applicant noting inaccuracies in listing, compromised heritage fabric and overall context of the sites location near the train station and within the area of the CBD planning framework.
- C. In February 2018, the Landowner lodged a revised Planning Proposal with Council in accordance with its resolution of 17 December 2017. The revised Planning Proposal seeks to:
- a. amend the maximum building height control from 12 metres to no height limit;
 - b. increase the maximum floor space ratio (FSR) control from 2:1 to 6:1, excluding incentives for design excellence and high performing buildings; and
 - c. delist heritage items at 37 Marion Street (I731), 31 Marion Street (I730) and 29 Marion Street (I729) from Schedule 5 Environmental Heritage of the LEP.
- D. On 23 July 2018, the Planning Proposal received Gateway Determination from the Department of Planning and Environment.
- E. The Landowner has offered to enter into this agreement in connection with the Planning Proposal, to make Monetary Contributions for public purposes associated with the Planning Proposal, and to provide an easement for public access over the Easement Land.

8 Registration of this agreement

8.1 Landowner Interest

The Landowner represents and warrants to the Council that on the date of this agreement it is the registered proprietor of the Land.

8.2 Registration of this agreement

- (a) Prior to the Minister for Planning or the Minister for Planning's delegate making the Instrument Change, the Landowner agrees to procure the registration of this agreement under the *Real Property Act 1900* (NSW) in the relevant folios of the Register of the Land in accordance with section 7.6 of the Act.
- (b) The Landowner, at its own expense, must:
 - (i) procure the consent of each other person who has an estate or interest in the land registered under the *Real Property Act 1900* (NSW) to the registration of this agreement;
 - (ii) execute any documents and procure the execution of any documents from third parties and arrange for the production of any certificates of title to enable the registration of this agreement;

 - (iv) procure the registration of this agreement by the Registrar-General in the relevant folios of the Register for the Land as soon as reasonably practicable after this agreement is lodged for registration; and
 - (v) provide documentary evidence that the registration of this agreement has been completed to Council within 15 Business Days of receiving confirmation that the registration has occurred.

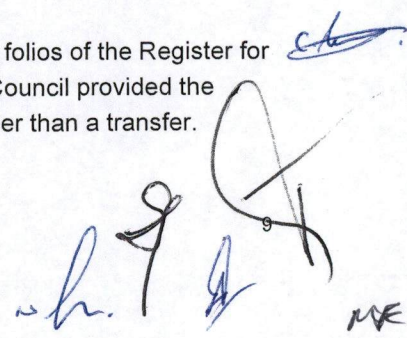

8.3 Removal from Register

Council must do all things necessary to allow the Landowner to remove the registration of this agreement from the relevant folios of the Register provided that:

- (a) the Landowner has paid the Monetary Contribution in full and has registered the Public Easement; or

8.4 Caveat

 - (i) when this agreement is executed, the Council is deemed to have acquired and the Landowner is deemed to have granted, an equitable estate and interest in the Land for the purposes of section 74F(1) of the *Real Property Act 1900* (NSW) and consequently the Council will have a sufficient interest in the Land in respect of which to lodge a caveat over the Land notifying that interest; and
 - (ii) it will not object to the Council lodging a caveat in the relevant folios of the Register for the Land nor will it seek to remove any caveat lodged by the Council provided the caveat does not prevent registration of any dealing or plan other than a transfer.

Handwritten signatures and initials in blue ink are located at the bottom right of the page. There are several distinct marks, including what appears to be a signature 'ch' and other initials.

- (b) The Council must, at the Landowner's cost, register a withdrawal of any caveat in respect of the Land within five Business Days after the Landowner complies with clause 8.2 and must not lodge any other caveats on any of the titles of the Land.

- (c) For the purposes of clause 9.1 of this agreement and subject to clause 9.2, a party is not in breach of this agreement if it does not agree to an amendment to this agreement requested by a party in, or as a consequence of, a review.

9.2 Change to Development Contributions

- (a) The parties acknowledge that as at the date of this agreement:
- (i) Council is proposing to amend the LEP to address the provision of community infrastructure within the Parramatta CBD and to adopt an accompanying Infrastructure Strategy and Development Guideline;
 - (ii) the Monetary Contribution for this agreement has been calculated on the basis of a monetary rate per square metre of land (**Community Infrastructure Rate**), being a percentage of land value uplift (as defined in the Council's Planning Agreements Policy); and
 - (iii) the Community Infrastructure Rate is being applied by Council at the date of this agreement, but may change when the planning proposal for the Parramatta CBD is finalised.
- (b) If, at the time the first instalment of the Monetary Contribution becomes payable (**Payment Date**):
- (i) the Community Infrastructure Rate adopted by Council is less than the lowest rate that can be applied under this agreement (being \$150 per square metre); and
 - (ii) as a consequence of the reduction of the Community Infrastructure Rate, Council amends the Development Contributions Plan, or adopts a new Development Contributions Plan that applies to the Land, so that the Development Contributions payable for the Development are higher, per square metre or other basis of measurement used to determine the quantum of contributions, than they would otherwise have been as at the date of this agreement;

then, within 20 Business Days of either party making a request for review, the Council and the Developer must meet to review this agreement in accordance with the principles in clause 9.2(c) and using their best endeavours and in good faith.

- (c) If a review of this agreement is carried out under clause 9.2(b) the parties must consider during that review process, the quantum of Monetary Contribution payable by the Developer to the Council under this agreement and a reduction of the Monetary Contribution by an amount equivalent to the difference between:
- (i) the Development Contributions calculated as at the date of this agreement, indexed in accordance with increases in CPI from the date of this agreement to the Payment

Date; and

- (ii) the Development Contributions calculated as at the Payment Date.
- (d) Any agreement reached during a review under this clause 9.2 will not constitute an amendment to this agreement until the amendment has been:
 - (i) confirmed in writing as a proposed amendment to this agreement;
 - (ii) publicly notified in accordance with the Regulation;
 - (iii) approved by Council after consideration of any public submissions; and
 - (iv) signed by the parties.
- (e) A failure by a party to agree to participate in a review under this clause 9.2 is taken to be a dispute for the purposes of clause 10.
- (f) If the parties cannot agree to the terms of any amendment to this agreement following a review under clause 9.2, either party may refer the matter to dispute resolution under clause 10.
- (g) Nothing in this clause 9.2:
 - (i) affects the obligation of the Developer under the Act to pay contributions in accordance with section 7.11 or section 7.12 of the Act; or
 - (ii) requires the Council to pay any money to the Developer or to refund to the Developer or any other entity, any amount paid to it under this agreement or for any other purpose.

- (b) The parties may, without limitation:
 - (i) resolve the dispute during the course of that meeting;
 - (ii) agree that further material or expert determination in accordance with clause 10.6 about a particular issue or consideration is needed to effectively resolve the dispute (in which event the parties will, in good faith, agree to a timetable for resolution); or
 - (iii) agree that the parties are unlikely to resolve the dispute and, in good faith, agree to a form of alternative dispute resolution (including expert determination, arbitration or

mediation) which is appropriate for the resolution of the relevant dispute.
