4A Development

- (a) In this document, subject to this clause 4A, **Development** means subdivision of the Land and any other development of the Land for residential, retail or commercial purposes that is the subject of a:
- (i) Development Application:
 - (A) made, but not yet determined, as at the Commencing Date; or
 - (B) that is made at any time after the Commencing Date, or
 - (ii) Modification Application to any Development Consent that is in force as at the Commencing Date or to any Development Consent to a Development Application referred to in **clause 4A(a)(i)**:
 - (A) made, but not yet determined, as at the Commencing Date; or
 - (B) that is made at any time after the Commencing Date.
- (b) Development is not **Development** within the meaning of **clause 4A(a)(i)** if the grant of Development Consent to a Development Application referred to in that clause will result in the GFA of the buildings (including proposed buildings) on the Land or part of the Land to which the Development Application relates, exceeding the maximum GFA of buildings that the application of the relevant floor space ratio under the ALEP as in force at the Commencing Date allows (being 69,286 square metres).
- (c) Despite **clause 4A(b)**, **Development** includes development that is subject to a Development Application referred to in **clause 4A(a)** even if the grant of Development Consent to the Development Application would result in the maximum GFA, as described in **clause 4A(b)**, being exceeded if that is merely because the applicant makes a request under clause 4.6 (Exceptions to development standards) of the ALEP to the consent authority.
- (d) Development does not cease to be **Development** within the meaning of **clause 4A(a)(i)** merely because a modification or proposed modification of a Development Consent will result in the maximum GFA as described in **clause 4A(b)** being exceeded.

- (e) For the purpose of determining whether the grant of Development Consent to a Development Application (**Subject Development Application**) will result in the maximum GFA referred to in **clause 4A(b)** being exceeded, the following are to be taken into account:
 - (i) the GFA of any existing building on the Land; and
 - (ii) any GFA authorised under an existing Development Consent (being a Development Consent which has been granted prior to the time the Subject Development Application is determined), irrespective of whether any work or development has commenced under the existing Development Consent.

5 Development Contributions to be made under this document

5.1 Developer to provide Development Contributions

The Developer undertakes to provide to the Minister or the Minister's nominee the Development Contributions in accordance with the provisions of **Schedule 3**.

- (b) The Developer agrees that the application of section 7.24 of the Act is excluded only in relation to the Development, and no other development on the Land.
- (c) Accordingly, the Developer acknowledges that:
 - (i) a Special Infrastructure Contribution may need to be made in relation to other development on the Land; or

- (ii) further satisfactory arrangements may need to be made to contribute to the provision of designated State public infrastructure in relation to other development on the Land.
- (d) Nothing about this **clause 5.3** restricts, offsets, gives rise to credits or otherwise reduces any local infrastructure contributions that may be made or be required to be made in conjunction with the Development. The Development Contributions under this document may not be taken into consideration in determining the local contributions to be made in conjunction with the Development.
- (e) This **clause 5.3** applies on and from the Commencing Date and continues to apply in relation to the Land irrespective of whether any release and discharge of this document from title to the whole or any part of the Land has been granted.

6 Interest for late payment

- (a) If the Developer fails to pay a Contribution Amount due to the Minister on the due date for payment, the Developer will be liable to pay the Minister interest on the Contribution Amount, in addition to the Contribution Amount, at a rate of 2% above the loan reference rate charged by the Commonwealth Bank of Australia from time to time.
- (b) Interest payable under **clause 6(a)** will be payable on the daily balance of amounts due from the due date for payment of those amounts until all outstanding amounts (including interest on those amounts) have been paid to the Minister.

7 Application of sections 7.11, 7.12 and 7.24 of the Act to the Development

The application of sections 7.11, 7.12 and 7.24 of the Act is excluded to the extent stated in **Schedule 1**.

8 Registration

8.1 Registration of this document

- (a) The Developer agrees that it will procure the Registration of this document on the relevant folio(s) of the Register for the Land in accordance with section 7.6 of the Act and the terms of this document.
- (b) The Developer will:
 - (i) at the Developer's expense; and
 - (ii) subject to **clause 8.1(d)**, within 90 Business Days of receiving a copy of this document executed by the Minister,

take all practical steps and otherwise do all things necessary to procure, in relation to the Land:

- (iii) the consent of each person who:
 - (A) has an estate or interest in the Land registered on the Register; and
 - (B) is seized or possessed of an estate or interest in the Land;
 - (iv) the execution of any documents;

- (d) Where the Developer is unable to procure Registration of this document in relation to any part of the Land within 90 Business Days of receiving a copy of this document executed by the Minister, because a consent required from a third party has not been given, the Developer must:
- (i) continue to use all reasonable endeavours to procure Registration of this document until it is registered on all relevant folios of the Register relating to the Land;
 - (ii) in the event that this document has not been lodged on a particular folio of the Register for any part of the Land pending expiration or termination of a lease, lodge this document for Registration over any such folio within 5 Business Days of the expiration or termination of that lease; and

- (e) The Developer agrees that it will not enter into any new lease over any part of the Land unless that lease is a Permitted Lease. This clause does not prevent the Developer from entering into variations of lease (including by way of exercise of option) or transfers of lease, over any part of the Land, provided that any variation of lease for any part of the Land on which this document is not registered does not extend the term

of that lease (including any options) beyond its existing term, other than where:

- (i) the variation includes the clause contained in the Permitted Lease; or
 - (ii) where the relevant land parcel is the subject of other leases, the variation would not extend the term of the lease in question beyond the term of the lease (including any options) with the longest lease period for that parcel of land.
- (f) Where there is a failure to register this document on the folio(s) of the Register for any part of the Land within 90 Business Days of receiving a copy of this document executed by the Minister:

 - (iii) the Developer must provide that Bank Guarantee or the Bank Guarantees to the Minister within 5 Business Days of any such request and **clause 1** of **Schedule 4** will apply to any Bank Guarantee(s) provided under this **clause 8.1(f)**.
- (g) The Minister will return any Bank Guarantee(s) provided under this **clause 8.1(f)** following confirmation of the Registration of this document on the title to the relevant part of the Land.

8.2 Evidence of Registration

In respect of each part of the Land, the Developer must provide the Minister with a copy of the relevant folio(s) of the Register and a copy of the registered dealing within 10 Business Days of Registration of this document.

8.3 Right to lodge caveat

- (a) Subject to **clause 8.3(b)**, until such time as this document is registered on the title of the Land in accordance with **clause 8.1(b)(vi)**, the Developer acknowledges that:
- (i) this document confers on the Minister, on and from the Commencing Date, an interest in the Land and entitles the Minister to lodge and maintain a caveat on the title to the Land (excluding any lot created by the registration of a Strata Plan or a Strata Plan of Subdivision) to prevent any Dealing in respect of the Land; and
 - (ii) upon execution of this document, the Minister may lodge a caveat on the title to the Land, substantially in the form of the caveat

attached at **Annexure E**, or complete an electronic caveat substantially in accordance with the terms of the caveat attached at **Annexure E** through Property Exchange Australia Ltd or another ELNO.

- (b) If the Minister lodges a caveat in accordance with **clause 8.3(a)**, then the Minister:
 - (i) must do all things reasonably necessary to:
 - (A) ensure that the caveat does not prevent or delay the Registration of this document over any part of the Land or the Registration of a Plan of Subdivision, Strata Plan or Strata Plan of Subdivision of the Land; and
 - (B) withdraw the caveat from the title to the relevant part of the Land within 5 Business Days of being provided with evidence of Registration of this document over that part of the Land in accordance with **clause 8.2**; and

 - (A) any easements to burden or benefit the Land;
 - (B) any variations of lease (including by way of exercise of option) subject to compliance with **clause 8.1(e)** or transfers of lease over any part of the Land; or
 - (C) any Permitted Lease;
 - (iii) may, after being requested to do so, provide such consent or other documentation (such as a withdrawal of caveat) required to permit the Registration of any instrument recording Dealings in respect of any part of the Land. The Minister may reasonably refuse to provide such consent or other documentation to permit the Registration of any instrument recording a Dealing until such time as either:
 - (A) this document is registered on the title to the relevant part of the Land, in which case the Minister will be required to withdraw the caveat under **clause 8.3(b)(i)(B)**; or
 - (B) all the Development Contributions have been provided in accordance with this document in respect of the relevant part of the Land.
- (c) The Developer must pay the Minister's reasonable costs and expenses, including legal costs, of exercising the Minister's rights under **clause 8.3(a)** to lodge a caveat(s) and withdraw caveat(s) and any associated costs.
