8 Registration of this agreement

8.1 *Landowner Interest*

The Landowner represents and warrants to the Council that on the date of this agreement it is the registered proprietor of the Land.

8.2 *Registration of this agreement*

- (a) Prior to the Minister for Planning or the Minister for Planning's delegate making the Instrument Change, the Landowner agrees to procure the registration of this agreement under the *Real Property Act 1900* (NSW) in the relevant folios of the Register of the Land in accordance with section 7.6 of the Act.
- (b) The Landowner, at its own expense, must:
 - (i) procure the consent of each other person who has an estate or interest in the land registered under the *Real Property Act 1900* (NSW) to the registration of this agreement;
 - (ii) execute any documents and procure the execution of any documents from third parties and arrange for the production of any certificates of title to enable the registration of this agreement;
 - (iii) procure the lodgement of this agreement with the Registrar-General as soon as reasonably practicable after this agreement comes into operation and use best endeavours to achieve that lodgement within 20 Business Days after that date;

- (iv) procure the registration of this agreement by the Registrar-General in the relevant folios of the Register for the Land as soon as reasonably practicable after this agreement is lodged for registration; and
- (v) provide documentary evidence that the registration of this agreement has been completed to Council within 15 Business Days of receiving confirmation that the registration has occurred.

8.3 *Removal from Register*

Council must do all things necessary to allow the Landowner to remove the registration of this agreement from the relevant folios of the Register provided that:

- (a) the Landowner has paid the Monetary Contribution in full; or
- (b) the Planning Proposal is refused by the Minister for Planning or their delegate and the Council is satisfied, acting reasonably, that the Instrument Change will not occur.

8.4 *Caveat*

- (a) The Landowner acknowledges and agrees that:
 - (i) when this agreement is executed, the Council is deemed to have acquired and the Landowner is deemed to have granted, an equitable estate and interest in the Land for the purposes of section 74F(1) of the *Real Property Act 1900* (NSW) and consequently the Council will have a sufficient interest in the Land in respect of which to lodge a caveat over the Land notifying that interest; and
 - (ii) it will not object to the Council lodging a caveat in the relevant folios of the Register for the Land nor will it seek to remove any caveat lodged by the Council provided the caveat does not prevent registration of any dealing or plan other than a transfer.
- (b) The Council must, at the Landowner's cost, register a withdrawal of any caveat in respect of the Land within five Business Days after the Landowner complies with clause 8.2 and must not lodge any other caveats on any of the titles of the Land.

9.2 Change to Development Contributions

- (a) The parties acknowledge that as at the date of this agreement:
- (i) Council is proposing to amend the LEP to address the provision of community infrastructure within the Parramatta CBD and to adopt an accompanying Infrastructure Strategy and Development Guideline;
 - (ii) the Monetary Contribution for this agreement has been calculated on the basis of a monetary rate per square metre of land (**Community Infrastructure Rate**), being a percentage of land value uplift (as defined in the Council's Planning Agreements Policy); and
 - (iii) the Community Infrastructure Rate is being applied by Council at the date of this agreement, but may change when the planning proposal for the Parramatta CBD is finalised.
- (b) If, at the time the first instalment of the Monetary Contribution becomes payable (**Payment Date**):
- (i) the Community Infrastructure Rate adopted by Council less than the lowest rate that can be applied under this agreement (being \$150 per square metre); and
 - (ii) as a consequence of the reduction of the Community Infrastructure Rate, Council amends the Development Contributions Plan, or adopts a new Development Contributions Plan that applies to the Land, so that the Development Contributions payable for the Development are higher, per square metre or other basis of measurement used to determine the quantum of contributions, than they would otherwise have been as at the date of this agreement,

then, within 20 Business Days of either party making a request for review, the Council and the Developer must meet to review this agreement in accordance with the principles in clause 9.2(c) and using their best endeavours and in good faith.

- (c) If a review of this agreement is carried out under clause 9.2(b) the parties must consider during that review process, the quantum of Monetary Contribution payable by the Developer to the Council under this agreement and a reduction of the Monetary Contribution by an amount equivalent to the difference between:
- (i) the Development Contributions calculated as at the date of this agreement; and
 - (ii) the Development Contributions calculated as at the Payment Date.
- (d) Any agreement reached during a review under this clause 9.2 will not constitute an amendment to this agreement until the amendment has been:
- (i) confirmed in writing as a proposed amendment to this agreement;
 - (ii) publicly notified in accordance with the Regulation;
 - (iii) approved by Council after consideration of any public submissions; and
 - (iv) signed by the parties.

- (e) A failure by a party to agree to participate in a review under this clause 9.2 is taken to be a dispute for the purposes of clause 10.
- (f) If the parties cannot agree to the terms of any amendment to this agreement following a review under clause 9.2, either party may refer the matter to dispute resolution under clause 10.
- (g) Nothing in this clause 9.2:
 - (i) affects the obligation of the Developer under the Act to pay contributions in accordance with section 7.11 or section 7.12 of the Act; or
 - (ii) requires the Council to pay any money to the Developer or to refund to the Developer or any other entity, any amount paid to it under this agreement or for any other purpose.

10 Dispute Resolution

If a dispute arises between the parties in relation to this agreement, the parties must not commence any court proceedings relating to the dispute unless the parties have complied with this clause, except where a party seeks urgent interlocutory relief.

 - (i) resolve the dispute during the course of that meeting;

 - (iii) agree that the parties are unlikely to resolve the dispute and, in good faith, agree to a form of alternative dispute resolution (including expert determination, arbitration or mediation) which is appropriate for the resolution of the relevant dispute.

10.4 *Further Notice if Not Settled*

If the dispute is not resolved within 10 Business Days after the nominated representatives have met, either party may give to the other a written notice calling for

determination of the dispute (**Determination Notice**) by mediation under clause 10.5 or by expert determination under clause 10.6.

10.5 Mediation

If a party gives a Determination Notice calling for the dispute to be mediated:

- (a) the parties must agree to the terms of reference of the mediation within 15 Business Days of the receipt of the Determination Notice (the terms shall include a requirement that the mediation rules of the Institute of Arbitrators and Mediators Australia (NSW Chapter) apply);
- (b) the mediator will be agreed between the parties, or failing agreement within 15 Business Days of receipt of the Determination Notice, either Party may request the President of the Institute of Arbitrators and Mediators Australia (NSW Chapter) to appoint a mediator;
- (c) The mediator appointed pursuant to this clause 10.5 must:

- (e) the parties must within 15 Business Days of receipt of the Determination Notice notify each other of their representatives who will be involved in the mediation (except if a resolution of the Council is required to appoint a representative, the Council must advise of the representative within 5 Business Days of the resolution);
- (f) the parties agree to be bound by a mediation settlement and may only initiate judicial proceedings in respect of a dispute which is the subject of a mediation settlement for the purpose of enforcing that mediation settlement; and
- (g) in relation to costs and expenses:
 - (i) each party will bear its own professional and expert costs incurred in connection with the mediation; and
 - (ii) the costs of the mediator will be shared equally by the parties unless the mediator determines that a party has engaged in vexatious or unconscionable behaviour in which case the mediator may require the full costs of the mediation to be borne by that party.

10.6 Expert determination

If the dispute is not resolved under clause 10.3 or clause 10.5, or the parties otherwise agree that the dispute may be resolved by expert determination, the parties may refer the dispute to an expert, in which event:

- (a) the dispute must be determined by an independent expert in the relevant field:
 - (i) agreed upon and appointed jointly by the parties; and

- (ii) in the event that no agreement is reached or no appointment is made within 20 Business Days of the agreement to refer the dispute to an expert, appointed on application of a party by the then President of the Law Society of New South Wales;
- (b) the expert must be appointed in writing and the terms of the appointment must not be inconsistent with this clause;
- (c) the determination of the dispute by such an expert will be made as an expert and not as an arbitrator and will be in writing and contain the reasons for the determination;
- (d) the expert will determine the rules for the conduct of the process but must conduct the process in accordance with the rules of natural justice;
- (e) each party will bear its own costs in connection with the process and the determination by the expert and will share equally the expert's fees and costs; and
- (f) any determination made by an expert pursuant to this clause is final and binding upon the parties except unless:
 - (i) within 20 Business Days of receiving the determination, a party gives written notice to the other party that it does not agree with the determination and commences litigation;
 - (ii) the determination is in respect of, or relates to, termination or purported termination of this agreement by any party, in which event the expert is deemed to be giving a non-binding appraisal; or
 - (iii) there is fraud or misfeasance by the expert.

10.7 *Litigation*

If the dispute is not resolved within 100 Business Days after Determination Notice is given under this clause 10 then any party which has complied with the provisions of this clause 10 may in writing terminate any dispute resolution process undertaken under this clause and may then commence court proceedings in relation to the dispute.

10.8 *No suspension of contractual obligations*

Subject to any interlocutory order obtained under clause 10.1, the referral to or undertaking of a dispute resolution process under this clause 10 does not suspend the parties' obligations under this agreement.

10.9 *Not use information*

- (a) The parties acknowledge the purpose of any exchange of information, documents, or the making of any offer of settlement under this clause 10 is to attempt to settle the dispute. No party may use any information or documents obtained through any dispute resolution process undertaken under this clause 10 for any purpose other than in an attempt to settle the dispute.
- (b) Any information exchanged during a dispute under this clause 10 is taken to be on exchanged on a 'without prejudice' basis except to the extent it is used in

relation to that dispute under this clause 10.

11 Enforcement

- (b) The Council may reject any Bank Guarantee that contains errors, or if it has received the Bank Guarantee, require at any time the Landowner to obtain a replacement Bank Guarantee that rectifies any such errors or otherwise obtain rectification of the errors. The Landowner must provide the replacement Bank Guarantee, or otherwise obtain rectification of the errors, within five Business Days of receiving the Council's request.
- (c) The Council may call on a Bank Guarantee provided under this clause if:
