<b>Application No.</b>	DA009/2025
<b>Application</b>	Liquid Fuel Depot for Inland Petroleum trucks only
<b>Location</b>	Lot 1, DP 831655 5-7 Quambone Road, COONAMBLE NSW 2829
<b>Applicant</b>	CASTLYN PTY LIMITED
<b>Exhibition Period</b>	9 April 2025 to 7 May 2025

Notice is hereby given that Coonamble Shire Council has received a Development Application for a Liquid Fuel Depot that is Integrated Development, lodged with Coonamble Shire Council by CASTLYN Pty Limited.

The proposed development will be on land known as Lot 1, DP 831655, 5-7 Quambone Road, Coonamble.

The consent authority for the Development Application is Coonamble Shire Council.

The primary purpose of the proposal is for a fuel depot facility for the loading and unloading of trucks up to AB-Triple in length (42m). It is proposed that the fuel depot facility will be for the refuelling of Inland Petroleum trucks only and is not open for the public. The facility is for bulk load-out of Inland Petroleum trucks to deliver fuel to the wide community and will not contain a retail component.

The development application for the proposed development and accompanying Statement of Environmental Effects may be inspected from 9 April 2025 to 7 May 2025 at:

- Coonamble Shire Administration Centre  
80 Castlereagh Street, Coonamble, NSW 2829
- Online at Council's website: [www.coonambleshire.nsw.gov.au](http://www.coonambleshire.nsw.gov.au) or the NSW Planning Portal at: <https://www.planningportal.nsw.gov.au/daexhibitions>.

Any interested person may, within the aforementioned period, make written submission to the Coonamble Shire Council with respect to such proposed development by 5pm on Wednesday 7 May 2025. If your comments are an objection, then the grounds of the objection must be specified.

Any submissions that you make on this proposal may be included without alteration (including names and addresses) in reports that are available to the public, in Council business papers (which are published on Council's website) and also made available to the applicant for comment during consideration of the development application. Anonymous submissions may be given less (or no) weight in consideration of the proposal.
