 - (a) not unreasonably or substantially increasing the cost and timeframe to Complete the Work;
 - (b) not resulting in a change to the matters identified as core elements for that Work under the DCP; or
 - (c) not being inconsistent with this document or any Development Consent for the Development.

- (3) If Council consents to the deferral of the Deferred Works, then the following applies:
 - (a) The Developer must comply with any conditions required by Council under paragraph (2) above.
 - (b) Provided the Developer satisfies those conditions, the Developer will not be in breach of this document as a result of a failure to achieve Completion of the relevant Deferred Works by the time for Completion specified in this document.
