**GEOTECHNICAL AND HYDROGEOLOGICAL INVESTIGATION
PROPOSED ALTERATIONS AND ADDITIONS
68E CALEDONIA STREET, PADDINGTON, NSW**

We confirm that JK Geotechnics prepared a geotechnical and hydrogeological investigation report, Ref. 33171Arpt dated 12 June 2020, for the proposed alterations and additions at the above site.

Based on the supplied architectural drawings and the advice presented in our report, we consider that there should not be any stability issues, and damage should not occur to any adjoining properties as a result of the proposed basement excavation, underpinning and shoring works, provided the recommendations presented in our report are adopted in their entirety.

Should you require any further information, please do not hesitate to contact the undersigned.

Yours faithfully
For and on behalf of
JK GEOTECHNICS

Andrew Jackaman
Principal Geotechnical Engineer
