

6th August 2021

To Whom It May Concern,

In representing Veolia, D&C Waste Management provides the following for Hornsby Nursing Home at 65-71 Burdett Street Hornsby, consisting of 98 beds with commercial kitchen and laundry.

We have access to rear lift vehicles to service the height restriction on entry of 2.8 metres and manoeuvre within the area of 3.0 metres of headroom. Our nominated vehicle is operated at the rear and 2.4 metres in height.

The options will include reversing to the basement to service the bins or direct entry and performing a three point turn for exit.

Veolia services numerous sites of similar heights in the Northern suburbs of Sydney.

If you have any questions please do not hesitate to contact me on the below.

Kind Regards

Peita Jones
