Revised floor layout under the tank to preserve as many existing steel bracing as possible. Deleted the proposed new compliant stairs to the tower and retain the existing stairs for emergency use only. Additional notes to redundant driveways. Revised layout to “The Annex”.
A02.05	FLOOR PLAN – LEVEL 2	F	Revised central stairs a fire-isolated stairs to comply with the latest NCC requirements. Deleted the proposed new compliant stairs in the tower and retain the existing stairs for emergency use only. Revised layout to “The Annex”. Ramp to east of “The Annex” removed.
A02.06	FLOOR PLAN – LEVEL 3	F	Revised central stairs as fire-isolated stairs to comply with the latest NCC requirements. Deleted the proposed new compliant stairs in the tower and retain the existing stairs for emergency use only.

			Revised layout to "The Annex". Ramp to east of "The Annex" removed.
A02.07	FLOOR PLAN – LEVEL 4	F	<p>Revised central stairs as a fire-isolated stairs to comply with the latest NCC requirements.</p> <p>Deleted the proposed new compliant stairs in the tower and retain the existing stairs for emergency use only.</p> <p>Plan is updated to reflect landscape plan.</p> <p>Removed the previously provided metal bridge between the tower and the tank.</p> <p>Layout updated.</p> <p>Lift overrun to "The Annex" shown.</p>
A02.08	FLOOR PLAN – LEVEL 5	F	<p>Revised central stairs a fire-isolated stairs to comply with the latest NCC requirements.</p> <p>Deleted the proposed new compliant stairs in the tower and retain the existing stairs for emergency use only.</p> <p>Removed the previously provided metal bridge between the tower and the tank.</p> <p>Layout updated.</p>
A02.09	FLOOR PLAN – ROOF GARDEN	F	<p>Provide an extra open stair above the fire-isolated stairs to create an alternative fire escape route to comply with the latest NCC requirements.</p> <p>Deleted the proposed new compliant stairs in the tower and retain the existing stairs for emergency use only.</p> <p>Layout updated. Fire-isolated stairs extend to Roof Garden Level.</p> <p>Condenser units on Roof Garden level with 1.39m HT Screen to conceal units.</p>
A03.01	STREETSCAPE	F	<p>Extra Streetscape drawing with point cloud survey overlay.</p> <p>Several perforated screens removed from tank.</p> <p>Updated elevation to reflect revised "Annex" form, material, and layout changes.</p> <p>Revised perforated metal fencing with vertical steel flat plate balustrade.</p> <p>Show outline of adjoining properties.</p> <p>8.5m line above NGL added to elevations.</p>
A03.02	STREETSCAPE	F	<p>Extra Streetscape drawing with point cloud survey overlay.</p> <p>Several perforated screens removed from tank.</p> <p>Updated elevation to reflect revised "Annex" form, material, and layout changes.</p> <p>Show outline of adjoining properties.</p> <p>8.5m line above NGL added to elevations.</p>
A03.03	STREETSCAPE		<p>Extra Streetscape drawing with point cloud survey overlay.</p> <p>Revised perforated metal fencing with vertical steel flat plate balustrade.</p>

		F	Updated elevation to reflect revised "Annex" form, material, and layout changes. Show outline of adjoining properties. 8.5m line above NGL added to elevations.
A03.04	STREETSCAPE	F	Extra Streetscape drawing with point cloud survey overlay. Updated elevation to reflect revised "Annex" form, material, and layout changes. Hydrant booster to South Street. Revised perforated metal balustrade with vertical battens balustrade to the "Annex" building. Show outline of adjoining properties. 8.5m line above NGL added to elevations.
A04.01	BUILDING ELEVATIONS	F	Updated elevation to reflect revised "Annex" form, material, and layout changes. Revised perforated metal balustrade with vertical steel flat plate balustrade to the "Annex" building. Revised perforated metal fencing with vertical steel flat plate balustrade. Colonnade and wire trellis to South Street. Additional notes to existing tank. Materials legend added. 8.5m line above NGL added to elevations.
A04.02	BUILDING ELEVATIONS	F	Updated elevation to reflect revised "Annex" form, material, and layout changes. Additional notes to existing tank. Deleted two of the four proposed metal bridges between the tower and the tank. Deleted glass roof above the passageway between the tower and the tank. Materials legend added. 8.5m line above NGL added to elevations.
A04.03	BUILDING ELEVATIONS	F	Updated elevation to reflect revised "Annex" form, material, and layout changes. Additional notes to existing tank. Revised perforated metal balustrade with vertical steel flat plate balustrade to the "Annex" building. Revised perforated metal fencing with vertical steel flat plate balustrade. Materials legend added. 8.5m line above NGL added to elevations.
A04.04	BUILDING ELEVATIONS	F	Deleted two of the four proposed metal bridges between the tower and the tank. Deleted glass roof above the passageway between the tower and the tank. Materials legend added.

			Additional notes to existing tank. 8.5m line above NGL added to elevations.
A04.05	BUILDING ELEVATIONS	F	Updated elevation to reflect revised "Annex" form, material, and layout changes. Revised perforated metal balustrade with vertical steel flat plate balustrade to the "Annex" building. Materials legend added. 8.5m line above NGL added to elevations.
A05.01	BUILDING SECTIONS	F	Deleted the proposed new compliant stairs in the tower and retain the existing stairs for emergency use only. Updated section to reflect revised "Annex" form, material, and layout changes. Revised perforated metal balustrade with vertical steel flat plate balustrade to the "Annex" building.
A05.02	BUILDING SECTIONS	F	Revised the steel cross bracing under the existing tank. Ramp at Level 1 and 2 of "The Annex" removed.
A05.03	BUILDING SECTIONS	F	Revised the steel cross bracing under the existing tank. Revised central stairs a fire-isolated stairs to comply with the latest NCC requirements. Ramp at Level 1 and 2 of "The Annex" removed. Lift overrun to "The Annex" shown. Updated section to reflect revised "Annex" form, material, and layout changes.
A05.04	BUILDING SECTIONS	F	Revised the steel cross bracing under the existing tank. Deleted two of the four proposed metal bridges between the tower and the tank. Deleted glass roof above the passageway between the tower and the tank.
A05.05	BUILDING SECTIONS	F	Revised the steel cross bracing under the existing tank. Deleted two of the four proposed metal bridges between the tower and the tank. Deleted glass roof above the passageway between the tower and the tank. Deleted the proposed new compliant stairs in the tower and retain the existing stairs for emergency use only.
A05.06	BUILDING SECTIONS		Revised the steel cross bracing under the existing tank. Deleted two of the four proposed metal bridges between the tower and the tank. Deleted glass roof above the passageway between the tower and the tank. Deleted the proposed new compliant stairs in the tower and retain the existing stairs for emergency use only. Updated section to reflect revised "Annex" form, material, and layout changes.

		F	Revised perforated metal balustrade with vertical steel flat plate balustrade to the "Annex" building. Ramp at Level 1 and 2 of "The Annex" removed. Lift overrun to "The Annex" shown.
A05.07	BUILDING SECTIONS	F	Updated section to reflect revised "Annex" form, material, and layout changes. Revised perforated metal balustrade with vertical steel flat plate balustrade to the "Annex" building.
A06.01	AREAS	F	Updated areas to reflect all the changes.
A07.01	LANDSCAPE CONCEPT PLAN – LEVEL 1	F	Updated drawings to reflect all the architectural changes.
A07.02	LANDSCAPE CONCEPT PLAN – LEVEL 3-5	F	Updated drawings to reflect all the architectural changes.
A07.03	LANDSCAPE CONCEPT PLAN – ROOF GARDEN	F	Updated drawings to reflect all the architectural changes.
A07.04	LANDSCAPE DESIGN STATEMENT	F	No changes.
A08.01	TANK & TOWER DETAIL SECTIONS	F	Updated details.
A08.02	TANK & TOWER DETAIL SECTIONS	F	Updated details. Additional details for perforated metal screen in tank.
A08.03	LINK BRIDGE BETWEEN TOWER & TANK	F	Updated details.
A09.01	MATERIALS SCHEDULE MONTAGE	F	Revised material selections.

Signed,
