RE : Gaden House - 24 Bay Street, Double Bay

To whom it may concern,

We issued a drawing set on 27.10.2021. We have subsequently made the following changes:

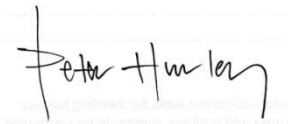

- Addition of solar panels to the roof to comply with the Section J report prepared by Building and Energy Consultants Australia. This amendment has not resulted in any additional height or shadow impact

This is the only amendment to the drawing set since the set issued on the 27.10.2021.
