**Attention:** Sarah Armstrong, Manager Strategic Planning

Dear Mr Cam

**Planning Proposal (PP\_2018\_MIDWR\_002\_00 – 2255 Hill End Road, Grattai) –  
Additional Permitted Use and increase minimum lot size concerning Lot 4 DP  
255618**

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* in respect of the planning proposal to include land Lot 4 DP 255618, 2255 Hill End Road, Grattai, as an Additional Permitted Use in Schedule 1 of the Mid-Western Regional Local Environmental Plan 2012 and increase in the minimum lot size affecting the land.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the enclosed Gateway determination.

It is noted that Council has requested to be authorised as the local plan-making authority. I have considered the nature of Council's planning proposal and have conditioned the Gateway determination for Council to be authorised as the local plan-making authority.

The amending local environmental plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office ten (10) weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment ([westernregion@planning.nsw.gov.au](mailto:westernregion@planning.nsw.gov.au)) for administrative purposes.

All related files for LEP Amendment, including PDF Maps, Map Cover Sheet, planning proposal document and GIS Data, if available, must be submitted to the Department via the Planning Portal Website at

<https://www.planningportal.nsw.gov.au/planning-tools/online-submission-planning-data>. To submit the data, Council is required to create an account and log in using these details.

In accordance with 'A guide for the preparation of local environmental plans'. Authorised plan making reporting template is enclosed for Council's information. Table 2 of the attachment is to be completed and included in Council's section 3.36 submission when requesting the planning proposal be finalised.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any further enquiries about this matter, I have arranged for Mr Tim Collins from the Department of Planning and Environment, Western Region office to assist you. Mr Collins can be contacted on 5852 6800.

Yours sincerely

1.11.18
