Dear Mr Faulkner

**Request for Byron LEP 1988 – Amendment No 151 to not proceed**

I am writing in response to your letter dated 25 May 2012 requesting that the Planning Proposal for Byron LEP 1988 – Amendment No 151 be made.

Under delegation from the Minister for Planning and Infrastructure, I have decided under s59(2)(b) of the Environmental Planning and Assessment Act, 1979, that the Byron Shire proposed 'Major Events' clause, should not proceed.

I have formed the opinion that the proposal is not in the public interest. I believe matters of concern to the Council can adequately be assessed through the normal development application process.

If you have any questions in relation to this matter please contact Steve Murray, Regional Director the Department of Planning and Infrastructure's Northern Region branch on (02) 6641 6602.

Yours sincerely

  
Sam Haddad  
Director General
