Peter Fitzgerald
Acting General Manager
Auburn City Council
PO Box 118
AUBURN NSW 1835

Dear Mr Fitzgerald

Planning proposal to amend Auburn Local Environmental Plan 2010

I am writing in response to your Council's letter dated 6 March 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to rezone Lot 802 Main Avenue, Botanica - Lidcombe from R3 Medium Density Residential to R4 High Density Residential, amend the floor space ratio control for the subject land to 1.2:1 and amend the maximum building height for the subject land to 10m.

As delegate of the Minister for Planning and Infrastructure, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed the planning proposal's inconsistencies with S117 Directions 2.3 Heritage Conservation, 3.1 Residential Zones, 4.1 Acid Sulfate Soils and 6.3 Site Specific Provisions are of minor significance. No further approval is required in relation to these Directions.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The NSW State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Tai Ta of the Regional Office of the department on 02 9860 1560.

Yours sincerely,

Neil McGaffin 3.4.13.

Gateway Determination

Planning proposal (Department Ref: PP_2013_AUBUR_001_00): to rezone land at Botanica - Lidcombe for residential purposes and amend the development controls applying to the land.

I, the Executive Director, Rural and Regional Planning at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Auburn Local Environmental Plan (LEP) 2010 to rezone Lot 802 Main Avenue, Botanica - Lidcombe from R3 Medium Density Residential to R4 High Density Residential, amend the floor space ratio control for the subject land to 1.2:1 and amend the maximum building height for the subject land to 10m should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2012)*.
2. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act:
 - Office of Environment and Heritage
 - Department of Education and Communities

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated 3rd day of April 2013.
