Dear Mr Moore

### **Planning proposal to amend Camden Local Environmental Plan 2010**

I am writing in response to your Council's letter dated 2 July 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to amend Camden Local Environmental Plan 2010 to permit the additional uses of business premises, office premises and takeaway food and drink premises for three lots in the 'Struggletown' precinct, Harrington Park.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination. You will note that amendment of figure 3 of the planning proposal is required prior to exhibition. Should you wish to clarify this condition, please contact the regional office.

I have agreed that the planning proposal's inconsistency with S.117 direction 6.3 Site Specific Provisions is of minor significance. No further approval is required in relation to this direction.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan. Council is reminded that it must not use its delegation where there is an unresolved agency objection to the proposal. In this instance, Council is to contact the regional office of the department to seek assistance in resolving the matter so that the plan may proceed under the delegation.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Shane Nugent of the regional office of the department on 02 9860 1173.

Yours sincerely,

 6/8/2013

## Gateway Determination

***Planning proposal (Department Ref: PP\_2013\_CAMDE\_015\_00): to amend Camden Local Environmental Plan 2012 to permit additional uses of business premises, office premises and takeaway food and drink premises for three lots in the 'Struggletown' precinct, Harrington Park.***

I, the Acting Regional Director, Sydney West Region at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Camden Local Environmental Plan (LEP) 2010 to amend Camden Local Environmental Plan 2010 to permit the additional uses of business premises, office premises and takeaway food and drink premises for three lots in the 'Struggletown' precinct, Harrington Park, should proceed subject to the following conditions:

1. Prior to exhibition Figure 3 of the planning proposal is to be amended to show the correct zone for certain land adjacent to the subject site.
2. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
  - (a) the planning proposal must be made publicly available for a minimum of 28 days; and
  - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning & Infrastructure 2013).
3. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act:
  - Office of Environment and Heritage
  - Transport for NSW - Roads and Maritime Services

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.

4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).

5. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated 6<sup>th</sup> day of August 2013.
