Dear Mr Todd

Planning proposal to amend Narrabri Local Environmental Plan (2012)

I am writing in response to your Council's letter dated 27 October 2015 requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to amend Narrabri LEP 2012 by the inclusion of an additional permitted use in Schedule 1 to permit with consent on part of Lot 1 DP 1145592, 1216 Braymont Road, Boggabri, a heavy industry constituting an explosives precursor facility.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment's Northern Region office for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Ms Gina Davis to assist you. Ms Davis can be contacted on (02) 6701 9687.

Yours sincerely

 10 November 2015

Gateway Determination

Planning proposal (Department Ref: PP_2015_002_00): to amend Narrabri LEP 2012 by the inclusion of an additional permitted use in Schedule 1 to permit with consent on part of Lot 1 DP 1145592, 1216 Braymont Road, Boggabri, a heavy industry constituting an explosives precursor facility.

I, the General Manager, Northern Region at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Narrabri Local Environmental Plan (LEP) 2012 by the inclusion of an additional permitted use in Schedule 1 to permit with consent on part of Lot 1 DP 1145592, 1216 Braymont Road, Boggabri, a heavy industry constituting an explosives precursor facility, should proceed subject to the following conditions:

1. Prior to exhibition, the planning proposal shall be amended to clarify:
 - (a) that the proposal seeks to permit with consent a heavy industry constituting an explosives precursor facility on the subject land;
 - (b) the property description as part of Lot 1 DP 1145592; and
 - (c) that an Additional Permitted Uses map identifying the subject land will be prepared and included in the LEP as the proposal only applies to part of the land.
2. Community consultation is required under sections 56(2)(c) and 57 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning and Infrastructure 2013)*.
3. Consultation is required with the following public authorities under section 56(2)(d) of the Act and/or to comply with the requirements of relevant S117 Directions:
 - Roads and Maritime Services
 - NSW Rural Fire Service
 - Environment Protection Authority

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.

4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
5. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.
