Attention: Graham Matthews

Dear Mr Noble,

Planning proposal to amend Liverpool Local Environmental Plan 2008 - (Amendment No 47)

I am writing in response to your Council's letter dated 2nd April 2014 requesting a Gateway determination under section 56 of the *Environmental Planning and Assessment Act 1979* ("EP&A Act"), in respect of the planning proposal to rezone certain land at Croatia Avenue, Edmondson Park from SP2 (Educational Establishment) to R1 – General Residential.

As delegate of the Minister for Planning and Environment, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also determined that in relation to s117 Direction – 6.2 Reserving Land for Public Purposes, I have agreed to the reduction of land for public purposes. No further approval is required in relation to this Direction.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 6 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Amar Saini of the Metropolitan Delivery (Parramatta) office of the department on 02 9860 1130.

Yours sincerely,

20/6/14

I, the Director, Metropolitan Delivery (Parramatta), at the Department of Planning and Environment, as delegate of the Minister for Planning, have determined under section 56(2) of the EP&A Act, that an amendment to the Liverpool Local Environmental Plan (LEP) 2008 to rezone land at 115, 125, 135, and 215 (Part of Lot 481 & Lot 482 DP 1173668 & Part Lot 45 & Lot 47 DP 228850) Croatia Avenue, Edmondson Park from SP2 (Educational Establishment) to R1 – General Residential and remove the Land Reservation Acquisition over the land, should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the *Environmental Planning and Assessment Act 1979* ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2013)*.
2. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act and/or to comply with the requirements of relevant S117 Directions:
 - Transport for NSW – Roads and Maritime Services
 - Sydney Water

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be 6 months from the week following the date of the Gateway determination.
