Mr David Sherley
General Manager
Bathurst Regional Council
Private Mail Bag 17
BATHURST NSW 2795

Dear Mr Sherley,

Planning proposal to amend the Bathurst Regional (Interim) Local Environment Plan 2005

I am writing in response to Council's request for a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to increase the curtilage of State heritage item, Cathedral of St Michael and St John at 107 William Street, Bathurst and decrease the curtilage of heritage item, Holy Family School at French Smith Place and Wentworth Drive, Kelso.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has now accepted this delegation. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending LEP is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Nita Lennon of the Regional Office of the Department on 02 6841 2180.

Yours sincerely,

Gateway Determination

Planning proposal (Department Ref: PP_2013_BATHU_002_00): to amend Bathurst Regional (Interim) LEP 2005 for heritage items on land at Bathurst and Kelso.

I, the Executive Director, Rural and Regional Planning at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Bathurst Regional (Interim) Local Environmental Plan (LEP) 2005 to increase the curtilage of State heritage item, Cathedral of St Michael and St John at 107 William Street, Bathurst and decrease the curtilage of heritage item, Holy Family School at French Smith Place and Wentworth Drive, Kelso should proceed subject to the following conditions:

1. Prior to undertaking public exhibition, Council is to amend the project timeline within the planning proposal to reflect the 9 month timeframe allocated for completing the LEP.
2. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning & Infrastructure 2012).
3. Consultation is required with the NSW Office of Environment and Heritage (OEH) under section 56(2)(d) of the EP&A Act. OEH is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.
4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
5. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated 15th day of March 2013.
