

MEMORANDUM

TO: DIRECTOR ENVIRONMENTAL, PLANNING & BUILDING SERVICES

FROM: BATHURST REGIONAL COUNCIL HERITAGE ADVISOR – MS BARBARA HICKSON

DATE: 9 JANUARY 2013

SUBJECT: HERITAGE HOUSEKEEPING PLANNING PROPOSAL

FILE: BH:LMW:20.00251

I refer to the abovementioned matter.

I have inspected the supporting documentation to the Planning Proposal and provide the following comments in favour of the Planning Proposal:

Lot 4 DP 1076699, 107 William Street, Bathurst – Cathedral of St Michael and St John

I support the Planning Proposal amending the curtilage of the State Heritage Item to reflect that of the amended State Heritage Register listing.

Lots 44 & 46 DP 1172067, French Smith Place and Wentworth Drive, Kelso – Holy Family School (former Marsden School)

I support the reduction of the curtilage of the Heritage Item. It is appropriate that the curtilage be adjusted from the former property boundary to the natural vegetation boundary as proposed in the Planning Proposal.
