Mr David Tuxford
General Manager
Liverpool City Council
Locked Bag 7064
LIVERPOOL BC NSW 1871

Dear Mr Tuxford,

Re: Planning Proposal to rezone a portion of 441 Hoxton Park Road, Hinchinbrook

I am writing in response to your Council's letter dated 20 April 2010 requesting a Gateway Determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to amend the Liverpool Local Environmental Plan 2008 to rezone a portion of 441 Hoxton Park Road, Hinchinbrook.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway Determination.

The Gateway Determination requires that the planning proposal be made publicly available for a period of 14 days. Under section 57(2) of the Act, I am satisfied that the planning proposal, when amended as required by the Gateway Determination, is in a form that can be made available for community consultation.

The amending Local Environmental Plan (LEP) is to be finalised within 6 months of the week following the date of the Gateway Determination. Council should aim to commence the exhibition of the Planning Proposal within four (4) weeks from the week following this determination. Council's request for the Department to draft and finalise the LEP should be made six (6) weeks prior to the projected publication date.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Amar Saini of the Regional Office of the Department on 02 9873 8500.

Yours sincerely,

Tom Gellibrand

Gateway Determination

Planning Proposal (Department Ref: PP_2010_LPOOL_002_00): to rezone a portion of 441 Hoxton Park Road, Hinchinbrook from R2 Low Density Residential to B1 Neighbourhood Centre.

I, the Deputy Director General, Plan Making & Urban Renewal as delegate of the Minister for Planning, have determined under section 56(2) of the EP&A Act that an amendment to the Liverpool Local Environmental Plan 2008 to rezone a portion of 441 Hoxton Park Road, Hinchinbrook from R2 Low Density Residential to B1 Neighbourhood Centre should proceed subject to the following conditions:

1. The exhibition material is to include sufficient information regarding the consequential amendments to the floor space ratio and height maps to ensure that there is a full understanding of the extent of future development on the subject land.
2. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs (Department of Planning 2009)* and must be made publicly available for **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 4.5 of *A Guide to Preparing LEPs (Department of Planning 2009)*.
3. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act:
 - Roads and Traffic Authority

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material. Each public authority is to be given at least 21 days to comment on the proposal, or to indicate that they will require additional time to comment on the proposal. Public authorities may request additional information or additional matters to be addressed in the planning proposal.
4. No public hearing is required to be held into the matter under section 56(2)(e) of the EP&A Act. This does not have any bearing on the need to conduct a public hearing under the provisions of any other legislation.
5. The timeframe for completing the LEP is to be **6 months** from the week following the date of the Gateway determination.

Dated 30th day of May 2010.
