Dear Madam

REQUEST TO BRING PROPOSED AMENDMENT 5 (GRIFFITH LEP 2002) INTO THE NEW PART 3 SYSTEM:

Griffith City Council are hereby formally requesting you to bring proposed amendment 5 (Griffith LEP 2002) into the new part 3 system. As you are aware this has been a long outstanding matter due to various aspects including the withdrawal of a portion of land from the initial proposal, submissions received and subsequent changes to the planning proposal.

Correspondence between council, the applicant and your office indicated that the request to bring proposed amendment 5 (Griffith LEP 2002) into the new part 3 system would be the best way forward to secure an outcome to the proposed amendment within a reasonable timeframe.

Attached to this letter of request is a report addressing the following issues:

Background
Development Brief
Public Authority Input
Submissions and consideration of the submissions
Way forward and timeframe for completion

For further information regarding this matter please contact Council's Senior Town Planner, Carel Potgieter at (02) 6962 8100.

Yours sincerely

Satinder Sandhu
