Dear Mr McMahon,

Planning proposal to amend Burwood Local Environmental Plan 2012

I am writing in response to your Council's letter dated 25 November 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to rezone land at 27 Mitchell Street, Croydon Park from part R2 Low Density Residential and part IN2 Light Industrial to R1 General Residential; and increase the Maximum Building Height to 11 m and Floor Space Ratio (FSR) to 1.2:1.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed the planning proposal's inconsistencies with S117 Directions 1.1 Business and Industrial Zones and 3.1 Residential Zones are of minor significance. No further approval is required in relation to these Directions.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 12 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Mr Andrew Watkins of the Department's regional office to assist you. Mr Watkins can be contacted on (02) 8575 4110.

Yours sincerely,

Richard Pearson

Gateway Determination

Planning proposal (Department Ref: PP_2013_BURWO_003_00): to rezone land at 27 Mitchell Street, Croydon Park and amend Maximum Building Height and Floor Space Ratio.

I, the Deputy Director General, Growth Planning and Delivery at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Burwood Local Environmental Plan (LEP) 2012 to rezone land at 27 Mitchell Street, Croydon Park from part R2 Low Density Residential and part IN2 Light Industrial to R1 General Residential; and increase the Maximum Building Height to 11 m and Floor Space Ratio (FSR) to 1.2:1 should proceed subject to the following conditions:

1. Council is to include the Contamination Assessment Report dated October 2012 and the Traffic and Parking Assessment Report dated November 2013 with the planning proposal as part of the public exhibition material.
2. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning & Infrastructure 2013)*.
3. Consultation is required with the following public authorities under section 56(2)(d) of the EP&A Act and/or to comply with the requirements of relevant S117 Directions:
 - Sydney Water
 - Energy Australia
 - NSW Department of Health
 - NSW Department of Education and Communities
 - Transport for NSW – Roads and Maritime Services

Each public authority is to be provided with a copy of the planning proposal and any relevant supporting material, and given at least 21 days to comment on the proposal.

4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
