Mr Stuart McPherson
General Manager
Clarence Valley Council
Locked Bag 23
GRAFTON NSW 2460

Dear Mr McPherson,

Re: Planning Proposal to rezone land at South Grafton

I am writing in response to your Council's letter dated 9 November 2010 requesting a Gateway Determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to amend the Grafton Local Environmental Plan 1988 to rezone Part Lot 400 DP 1153969, Bent Street, South Grafton from 6(b) Open Space (Recreation – Special Purposes) to 1(c) Rural / Residential.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway Determination.

The Director General's delegate has also agreed that the planning proposal's inconsistencies with S117 Direction 4.4 Planning for Bushfire Protection are of minor significance. No further approval is required in relation to this Direction.

Council is required to concurrently exhibit the proposed amendment to the South Grafton Heights Precinct (SGHP) Strategy in accordance with the community consultation requirements included in the attached Gateway Determination.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway Determination. Council should aim to commence the exhibition of the Planning Proposal within four (4) weeks from the week following this determination. Council's request for the Department to draft and finalise the LEP should be made six (6) weeks prior to the projected publication date.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Jenny Gwynne of the Regional Office of the Department on 02 6641 6600.

Yours sincerely,

Tom Gellibrand

Gateway Determination

Planning Proposal (Department Ref: PP_2010_CLARE_007_00): to rezone part of the Grafton District Golf Course site (Part Lot 100 DP 1153969), Bent Street, South Grafton from 6(b) Open Space (Recreation – Special Purposes) to 1(c) Rural / Residential.

I, the Deputy Director General, Plan Making & Urban Renewal as delegate of the Minister for Planning, have determined under section 56(2) of the EP&A Act that an amendment to the Grafton Local Environmental Plan 1988 to rezone Part Lot 400 DP 1153969, Bent Street, South Grafton from 6(b) Open Space (Recreation – Special Purposes) to 1(c) Rural / Residential should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal must be made publicly available for **28 days**;
 - (b) the proposed amendment to the South Grafton Heights Precinct (SGHP) Strategy should be exhibited concurrently with this planning proposal; and
 - (c) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 4.5 of *A Guide to Preparing LEPs (Department of Planning 2009)*.
2. No consultation is required with public authorities under section 56(2)(d) of the EP&A Act.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.

Dated 2nd day of December 2010.
