Dear Mr Karaman

I refer to your email received by the Office of Environment and Heritage (OEH) on 22 June 2015 seeking concurrence from OEH prior to a Gateway Determination for a minor amendment to Camden Local Environmental Plan 2010 to correct a mapping anomaly in Manooka Valley.

OEH has reviewed the information provided in your email and understands that the mapping anomaly involves 7 lots zoned E2 Environmental Conservation which have been incorrectly attributed to the zoning. OEH also notes Council's advice that the land does not contain environmental or cultural significance.

Please be advised that OEH raises no objection to the proposed planning proposal to rezone of the subject lots from E2 Environmental Conservation to R1 General Residential.

If you have any queries regarding this matter please contact Marnie Stewart, Senior Operations Officer, on 9995 6868.

Yours sincerely

S. Harrison 30/06/15
