Dear Mr Cullen

Liverpool Local Environmental Plan 2008 (Amendment No. 62) – Moorebank Intermodal Terminal

Council is advised that, as delegate of the Greater Sydney Commission, I have made Liverpool Local Environmental Plan 2008 (Amendment No. 62) under section 59(2) of the EP&A Act, and under section 34(5) of the Environmental Planning and Assessment Act 1979 it will take effect when published on the NSW Legislation website.

The LEP will facilitate the Intermodal Terminal facility, a State Significant Development (SSD), which is expected to generate economic, social and environmental benefits for the community and economy with a number of flow-on benefits across the freight sector and the NSW economy.

If you have any questions regarding this matter, I have arranged for Mrs Catherine Van Laeren, Director of the Department's Sydney Region West Office to assist you. Mrs Van Laeren may be contacted on (02) 9860 1520.

Yours sincerely

Marcus Ray
