Dear Peter,

RE: CAMDEN LEP 2010 (AMENDMENT NO. 26) – Mapping Anomalies

I refer to the Planning Proposal attached for the Department of Planning and Infrastructure's consideration.

On the 23 April 2013, Council resolved to submit this Planning Proposal to the Department of Planning and Infrastructure for Gateway Determination to fix mapping anomalies which have occurred during the finalisation of the maps prior to their publication.

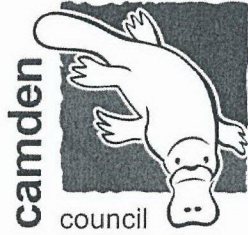

As the Planning Proposal simply seeks to maintain status quo; it is recommended the Planning Proposal bypass public exhibition and proceed directly to publication once Gateway determination has been received.

In addition, Council intends to use its delegation pursuant to Section 23 of the EP&A Act 1979 as the matter is considered to be of only local significance. The delegation will be sub-delegated to the Acting General Manager.

In this regard, please find enclosed the following documents accompanying this letter:

- Planning Proposal and associated attachments;
- Applicable s.117 directions;
- Council report dated 23 April 2013;
- Council Resolution;
- Evaluation criteria for the delegation of plan making functions; and
- Compact Disc containing the above material.

Should you or your officers require any further information, please do not hesitate to contact either myself on 4654 7802 or **Tanya Uppal** on 4654 7804.
