Dear Mr Todd

Planning proposal to amend Narrabri Local Environmental Plan 2012

I am writing in response to your Council's letter dated 21 September 2015 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 (the Act) in respect of the planning proposal to rezone land at Boggabri and correct various LEP mapping errors.

As delegate of the Minister for Planning, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed, as delegate of the Secretary, the planning proposal's inconsistencies with S117 Directions 1.1 Business and Industrial Zones, 1.2 Rural Zones, 1.5 Rural Lands and 3.1 Residential Zones are of minor significance. No further approval is required in relation to these Directions.

Plan making powers were delegated to councils by the Minister in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 9 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning and Environment for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, I have arranged for Ms Gina Davis of the Department's regional office to assist you. Mr Davis can be contacted on (02) 6701 9687.

Yours sincerely

30 September 2015

Planning proposal (Department Ref: PP_2015_NARRB_001_00): to rezone land at Boggabri and correct various LEP mapping errors.

I, the Acting General Manager, Northern Region at the Department of Planning and Environment as delegate of the Minister for Planning, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Narrabri Local Environmental Plan (LEP) 2012 to rezone land at Boggabri and correct various LEP mapping errors should proceed subject to the following conditions:

1. Prior to exhibition, the planning proposal shall be amended to:
 - (a) include mapping illustrating the proposed minimum lot size changes; and
 - (b) update the property description and explanation of provisions to clarify that the proposal applies to part of the Reservoir Lane road reserve and only part of Lot 7009 DP 1050939.
2. Community consultation is required under sections 56(2)(c) and 57 of the Act as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs (Department of Planning and Infrastructure 2013)* and must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning and Infrastructure 2013)*.
3. Consultation is not required with any public authorities under section 56(2)(d) of the Act.
4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
5. The timeframe for completing the LEP is to be **9 months** from the week following the date of the Gateway determination.
