To whom it may concern,

On behalf of Narrabri Shire Council I would like to request a two (2) month extension of time until 25 January 2020 to complete this planning proposal to amend the Narrabri Local Environmental Plan 2012 to include an obstacle height limitation surface map for the Narrabri Airport. The reason for this request is due to unforeseen delays in Council's processing the planning proposal due to internal staff changes.

If you require any further information please do not hesitate to contact me on the details below.

Kind regards,
