

Gateway Determination

Planning proposal (Department Ref: PP_2019_BSIDE_001_00): to amend the Rockdale Local Environmental Plan 2011 by rezoning the land at 119 Barton Street, Monterey to R3 Medium Density Residential and introduce a maximum building height, floor space ratio and minimum lot size.

I, the Director, Sydney Region East at the Department of Planning and Environment, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Rockdale Local Environmental Plan (LEP) 2011 to rezone the land at 119 Barton Street, Monterey to R3 Medium Density Residential and introduce a maximum building height, floor space ratio and minimum lot size should proceed subject to the following conditions:

1. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**; and
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment 2016).
2. Consultation with public authorities/organisations under section 3.34(2)(d) of the Environmental Planning and Assessment Act 1979 is not required for this planning proposal.
3. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The time frame for completing the LEP is to be **9 months** following the date of the Gateway determination.

Dated *29th* day of *may* 2019.
