Mr Scott Greenshill
General Manager
Clarence Valley Council
Locked Bag 23
GRAFTON NSW 2460

Dear Mr Greenshill,

Planning proposal to amend Clarence Valley Local Environmental Plan 2011

I am writing in response to Council's letter dated 28 February 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to correct minor anomalies to nine heritage items listed in the Clarence Valley Local Environmental Plan (LEP) 2011.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

The Minister delegated his plan making powers to Councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending LEP is to be finalised within 3 months of the week following the date of the Gateway determination. As it has been determined that this is a minor amendment, Council is not required to undertake community consultation for the planning proposal and is to request Parliamentary Counsel's Office commence drafting the instrument immediately. A copy of the request should be forwarded to the department for administrative purposes.

The NSW State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Jennifer Vallis of the regional office of the department on 02 6641 6600.

Yours sincerely,

Gateway Determination

Planning proposal (Department Ref: PP_2013_CLARE_003_00): to correct anomalies to nine heritage items listed in Clarence Valley LEP 2011.

I, the Executive Director, Rural and Regional Planning at the Department of Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Clarence Valley Local Environmental Plan (LEP) 2011 to correct minor anomalies to nine heritage items listed in the LEP should proceed subject to the following conditions:

1. No community consultation is required under sections 56(2)(c) and 57 of the EP&A Act.
2. No consultation is required with public authorities under section 56(2)(d) of the EP&A Act.
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land)
4. The timeframe for completing the LEP is to be **3 months** from the week following the date of the Gateway determination.

Dated 19th day of March 2013.
