Dear Mr Cam

Planning Proposal (PP_2013_MIDWR_006_00) Various Amendments- Alteration of Gateway determination to extend time to complete Planning Proposal.

I refer to the subject matter and note that the Planning Proposal was determined on 25 October 2013. Following the provision of an Alteration of the Gateway Determination issued on 8 January 2015, the Planning Proposal is due for completion the week following 8 April 2015.

The administrative processes relating to the reclassification of public land have resulted in the Planning Proposal not being completed within the allocated timeframe. I am therefore altering the Gateway Determination to extend the completion date by three months from the week following the date of the Alteration of the Gateway Determination, to 10 July 2015.

There has been no change to the Gateway Determination other than to extend the timeframe allocated for completion of the plan to accommodate final plan making administrative processes. The Alteration of the Gateway Determination is enclosed for your reference and supersedes previous alterations.

Should you have any further enquiries about this matter, I have arranged for Jessica Holland, of the Western Region office in Dubbo to assist you. Ms Holland can be contacted on (02) 6841 2180.

Yours sincerely
