Planning Proposal (PP_2014_MURRA_001_00) Murray Local Environmental Plan 2011 (Amendment No. 3)

I refer to the subject matter and note that the planning proposal was determined on 20 March 2014, with a timeframe for completion of 12 months.

It is anticipated that the administrative process relating to the drafting of the Local Environmental Plan may result in the planning proposal not being completed within the allocated timeframe. I am therefore altering the Gateway determination to extend the completion date by three months from the original Gateway determination. The relevant date for completion of the Plan will now be 20 June 2015.

There has been no change to the Gateway determination other than to extend the timeframe allocated for completion of the Plan. The Alteration of the Gateway determination is enclosed for your reference.

Should you have any further enquiries about this matter, I have arranged for Nicole Dukinfield, of the Western Region office to assist you. Ms Dukinfield can be contacted on (02) 6841 2180.

Yours sincerely
