Dear Mr Haddad

**Re: Making of Draft Amendment 39 to Liverpool Local Environmental Plan 2008**

I write in relation to a letter sent to Planning and Infrastructure on 6 March 2014 regarding the making of Draft Amendment 39 to the Liverpool Local Environmental Plan 2008. The Council resolution of 25 February 2014 to proceed with the making of Draft Amendment 39 to Liverpool Local Environmental Plan 2008 (LLEP 2008) should have been attached with this letter rather than the resolution from the 2 December 2013 extra ordinary meeting (scheduled for 27 November 2013).

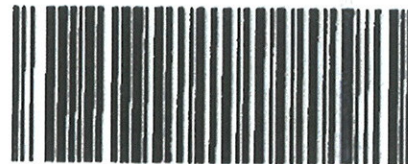

Please see attached the Council report and Planning Proposal from 25 February 2014 for your consideration.

Should you require any further information on this matter, please do not hesitate to contact Lisa Mackay Strategic Planning on 9821 9124.

Yours sincerely

Dear Mr Haddad

**Re: Making of Draft Amendment 39 to Liverpool Local Environmental Plan 2008**

I write in relation to the Council resolution of 25 February 2014 to proceed with the making of Draft Amendment 39 to Liverpool Local Environmental Plan 2008 (LLEP 2008). Amendment 39 includes two items deferred by Council at its meeting on 28 August 2013 from Amendment 27 to LLEP 2008. These two items include:

- Changing dwelling density controls in Middleton Grange.
- Reclassification and rezoning of Lot 4221 Wilson Road, Green Valley.

Council recommended that these two items were to be removed from Amendment 27 and placed in the a new amendment, Amendment 39, not needing to be re-exhibited as this process has been completed where the items were included within Amendment 27.

Please see attached the Council report and Planning Proposal for your consideration.

Should you require any further information on this matter, please do not hesitate to contact Lisa Mackay Strategic Planning on 9821 9124.

Yours sincerely
