Dear Damien,

**Planning Proposal (PP 2017 BLAYN 002 00) – Alteration of Gateway
Determination – Amend Flood Planning Map**

Council seeks an extension of time to complete Planning Proposal (PP_2017_BLAYN_002_00) to amend the Blayney LEP 2012 to update the flood planning area for the town of Blayney.

Council is yet to take public exhibition for this planning proposal as a comprehensive consultation strategy needs to be prepared, due to the likelihood of this PP being misunderstood by the community.

It is also our desire to have a draft DCP flooding chapter completed prior to exhibition so we can explain to the communities that will now be considered flood effected, what the implications are.

A 12 month extension is sought and would be appreciated.

Should you require further information regarding this matter please contact me on (02) 6368 2104.

Regards,

Mark Dicker
