Current version for 3 December 2010 to date (accessed 27 January 2011 at 14:22)
Land Use Table > Zone IN3

<< page >>

Zone IN3 Heavy Industrial

1 Objectives of zone

- To provide suitable areas for those industries that need to be separated from other land uses.
- To encourage employment opportunities.
- To minimise any adverse effect of heavy industry on other land uses.
- To preserve opportunities for a wide range of industries and similar land uses by prohibiting land uses that detract from or undermine such opportunities.

2 Permitted without consent
