Ms Glennys James
Director
City Strategy and Development
Blacktown City Council
PO Box 63
BLACKTOWN NSW 2148

File Nos: 11/11696
11/16794

Dear Ms James *Glennys*

Re: Planning Proposal for Draft Blacktown Local Environmental Plan 1988 (Amendment No 225) – Development of a new service centre on Sunnyholt Road and additional restaurant facilities in the existing service centre on Old Windsor Road [PP_2011_BLACK_004_00]; and Planning Proposal for Draft Blacktown Local Environmental Plan 1988 (Amendment No 235) – Extension in Trading Days for Parklea Markets to include Fridays as an extra day [PP_2011_BLACK_006_00]

I refer to Council's recent email advising the current status of these two Planning Proposals. It is noted that the time for completion of the Planning Proposals has/or likely to expire.

In this light, I have determined as the delegate of the Minister, in accordance with section 56(7) of the *Environmental Planning and Assessment Act 1979*, to amend the Gateway Determination for these two Planning Proposals.

The Gateway Determination is amended by extending the time for the completion of:

- Planning Proposal No PP_2011_BLACK_004_00 by an additional 6 months; and
- Planning Proposal No PP_2011_BLACK_006_00 by an additional 6 months.

The Planning Proposals are now to be finalised by 8 May 2013 and 14 April 2013 respectively.

If you have any questions in relation to this matter, please contact Peter Goth, Regional Director, of the Department of Planning and Infrastructure's Sydney West Region on (02) 9860 1174.

Yours sincerely

Richard Pearson
