Dear Peter,

**Planning Proposal – Parramatta LEP 2011 and Parramatta City Centre
LEP 2007 consolidation**

Please find attached a planning proposal seeking to amend the Parramatta LEP 2011 to include the land currently covered by the City Centre LEP.

This planning proposal represents a significant piece of work for which Gateway determination is now formally sought. Council resolved on 22 October 2012 to prepare and forward the attached planning proposal.

Council will not be requesting to exercise its plan making delegations in this instance due to the complex nature of this planning proposal as well as its regional significance.

We would like to discuss the contents of this proposal with Department officers early in the New Year, before it is forwarded to the panel for consideration.

If you have any queries in relation to this matter please contact me on 9806-5767 or Neal McCarry on 9806-5635.

Yours sincerely

Jennifer Concato
Land Use Planning Manager
