

4. Reference: Schedule 2 Exempt development- Building alterations (1)

Objectives or intended outcomes

Provide for the control of the installation of security shutters and roller doors in order to avoid adverse impacts on the amenity of the adjoining area.

Explanation

Amendment of the provisions to exclude security shutters as exempt development. This amendment will enable Council to exercise greater control over the installation of security shutters and roller doors and to avoid a detrimental impact on the character of a street.

Justification

See separate document.
