Mr Phil Tolhurst
General Manager
Liverpool City Council
Locked Bag 7064
LIVERPOOL BC NSW 1871

Dear Mr Tolhurst,

Re: Planning Proposal to rezone land and to alter minimum lot size for properties on Pleasure Point Road, Pleasure Point

I am writing in response to Council's letter of 25 November 2009 requesting a Gateway Determination under section 56 of the Environmental Planning and Assessment Act 1979 ('EP&A Act') in respect of the planning proposal to amend the Liverpool Local Environmental Plan 2008 to:

1. Rezone parts of Lots 1, 2 and 3 DP 239468 at Pleasure Point from E3 Environmental Management to R2 Low Density Residential; and
2. Decrease the minimum lot size from 1,000m² to 700m² for land located along Pleasure Point Road.

As delegate of the Minister for Planning, I have now determined that the planning proposal should proceed subject to the conditions in the attached Gateway Determination.

The Gateway Determination requires that the planning proposal be made publicly available for a period of 14 days. Under section 57(2) of the Act I am satisfied that the planning proposal is in a form that can be made available for community consultation.

The amending Local Environmental Plan (LEP) is to be finalised within 6 months of the week following the date of the Gateway Determination.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments the Minister may take action under s54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Chris Browne of the Regional Office of the Department.

Yours sincerely,

Sam Haddad
Director-General

2. *Decrease the minimum lot size from 1,000m² to 700m² for land located along Pleasure Point Road.*

I, the Director General as delegate of the Minister for Planning, have determined under section 56(2) of the EP&A Act that an amendment to the Liverpool Local Environmental Plan 2008 to rezone parts of Lots 1, 2 and 3 DP 239468 at Pleasure Point from E3 Environmental Management to R2 Low Density Residential, and decrease the minimum lot size from 1,000m² to 700m² for land located along Pleasure Point Road should proceed, subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs* (Department of Planning 2009) and must be made publicly available for **14 days**; and

2. No consultation is required with State or Commonwealth public authorities under section 56(2)(d) of the EP&A Act.
