Mr Gary Sawyer
General Manager
City of Canada Bay Council
Locked Bag 1470
DRUMMOYNE NSW 1470

Dear Mr Sawyer,

Planning proposal to amend Canada Bay Local Environmental Plan (LEP) 2008 or draft Canada Bay LEP 2013

I am writing in response to your Council's letter dated 1 May 2013 requesting a Gateway determination under section 56 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") in respect of the planning proposal to permit a child care centre as an additional permitted use on Lot 92 DP 1047100 at 95 Queens Road, Five Dock.

As delegate of the Minister for Planning and Infrastructure, I have now determined the planning proposal should proceed subject to the conditions in the attached Gateway determination.

I have also agreed the planning proposal's inconsistencies with S117 Directions 1.1 Business and Industrial Zones and 6.3 Site Specific Provisions are justified. No further approval is required in relation to these Directions.

The Minister delegated his plan making powers to councils in October 2012. It is noted that Council has requested to be issued with delegation for this planning proposal. I have considered the nature of Council's planning proposal and have decided to issue an authorisation for Council to exercise delegation to make this plan.

The amending Local Environmental Plan (LEP) is to be finalised within 6 months of the week following the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office 6 weeks prior to the projected publication date. A copy of the request should be forwarded to the department for administrative purposes.

The State Government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 54(2)(d) of the EP&A Act if the time frames outlined in this determination are not met.

Should you have any queries in regard to this matter, please contact Tharani Yoganathan of the regional office of the department on 02 9228 6111.

Yours sincerely,

Daniel Keary
Acting Executive Director

Gateway Determination

Planning proposal (Department Ref: PP_2013_CANAD_001_00): to permit a child care centre as an additional permitted use on land at 95 Queens Road, Five Dock.

I, the Acting Executive Director, Metropolitan Planning at the Department of Planning and Infrastructure as delegate of the Minister for Planning and Infrastructure, have determined under section 56(2) of the EP&A Act that an amendment to the Canada Bay Local Environmental Plan (LEP) 2008 or draft Canada Bay LEP 2013 to permit a child care centre as an additional permitted use on Lot 92 DP 1047100 at 95 Queens Road, Five Dock should proceed subject to the following conditions:

1. Prior to undertaking public exhibition, Council is to update the 'explanation of provisions' within the planning proposal to advise the public that the proposal may amend the draft Canada Bay LEP 2013, in the event the draft LEP is notified prior to the making of this planning proposal.
2. Community consultation is required under sections 56(2)(c) and 57 of the Environmental Planning and Assessment Act 1979 ("EP&A Act") as follows:
 - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs* (Department of Planning & Infrastructure 2013) and must be made publicly available for a minimum of **14 days**; and
 - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs* (Department of Planning & Infrastructure 2013).
3. No consultation is required with public authorities under section 56(2)(d) of the EP&A Act.
4. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the EP&A Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
5. The timeframe for completing the LEP is to be **6 months** from the week following the date of the Gateway determination.
