

## Gateway Determination

**Planning proposal (Department Ref: PP\_2017\_WOOLL\_004\_00):** to amend "Schedule 1 – Additional Permitted Uses" to allow office premises but only if they are ancillary to and associated with St Vincent's Private Hospital as a permissible use at 190-200 Boundary Street, Paddington.

I, the Director, Sydney Region East at the Department of Planning and Environment, as delegate of the Greater Sydney Commission, have determined under section 56(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Woollahra Local Environmental Plan 2014 to amend "Schedule 1 – Additional Permitted Uses" to allow office premises but only if they are ancillary to and associated with St Vincent's Private Hospital as a permissible use at 190-200 Boundary Street, Paddington should proceed subject to the following conditions:

1. Community consultation is required under sections 56(2)(c) and 57 of the Act as follows:
  - (a) the planning proposal is classified as low impact as described in *A Guide to Preparing LEPs (Department of Planning and Infrastructure 2013)* and must be made publicly available for a minimum of **14 days**; and
  - (b) the relevant planning authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 5.5.2 of *A Guide to Preparing LEPs (Department of Planning and Environment 2016)*.
2. No consultation is required with public authorities under section 56(2)(d) of the Act
3. A public hearing is not required to be held into the matter by any person or body under section 56(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).
4. The timeframe for completing the LEP is to be **6 months** from the week following the date of the Gateway determination.
