Subject: Request for Altered Gateway (Extension of Time) - PP_2019_BALLI_001_00 - Reservoir Hill Site

Good morning Kate,

Re: Planning Proposal BSCPP 18/004 (Department Ref: PP_2019_BALLI_001_00)

I am writing to request a nine (9) month extension of time for completion of the abovementioned LEP amendment.

There are ongoing and interconnected issues between the development application that is currently being assessed and the rezoning proposal. Such issues include, but are not limited to, site drainage and ecology. It is critical to resolve these issues through the development assessment process prior to finalisation of the planning proposal.

A nine month extension should allow sufficient time to resolve outstanding matters and complete the planning proposal.

Regards,
Leah

A promotional banner for "ballina business connect". The background is a collage of fresh produce including lemons, oranges, and strawberries. Overlaid on the left is a hand holding a knife, ready to cut. The text "ballina business connect" is prominently displayed in the center-left, with "ballina" in a smaller font and "business connect" in a larger, bold font. Below this, the URL "ballina.nsw.gov.au/businessconnect" is written in white on a blue background. On the right side of the banner, there is a vertical strip of four circular icons with corresponding text: a shopping cart icon for "choose a b...", a phone icon for "pho...", a delivery truck icon for "business c delivery", and a hand holding a box icon for "goods deli to your do...".
