

Overflow Parking
32 Car parks

Service Vehicle Parking

Note
The concept plan is
indicative only at this stage
for the high-level purpose of
Planning Proposal.

The concept plan in no way guarantees that the land will be limited to or used only for the purpose depicted.

Should the rezoning be successful, the B2 Zone would permit a range of other uses that are not necessarily depicted in the concept plan.

The final development option will be subject to analysis, design, assessment, and the approval process.
